

Insulation Protection Shield

Features and Benefits

- used between hanger surface and insulated pipes to prevent crushing of insulation
- material: steel
- Surface Protection
 - pre-galvanised steel
 - electrogalvanized as per ASTM B633 Standards, BS 1706 FE/ZN 12

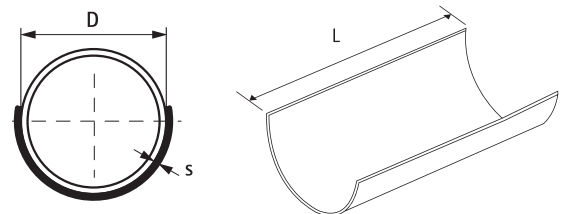

Insulation Protection Shield as per MSS-SP69 & SP-58 Type 40

Part No.	D (mm)	L (mm)	s (mm)	Gauge	ØMatching Hanger (")	ØMatching Hanger (mm)
